SUMMARY

Currently I'm an undergraduate at [the University of Information Technology](#). I'm actively looking for an internship - fresher job in the frontend or web related field, and will be able to work fulltime from March 2020. I used to be aggressively active on both [Github](#) and [Stackoverflow](#), **check them out**.

SKILLS

HTML5, CSS3, Javascript, SCSS, VueJS, ReactJs

Git, Github

Figma, Photoshop

Willing to learn: Nodejs, Typescript, Puppeteer, CI/CD,...
